Hi Dan,

Please see EPA draft comments on the Kenton Foundry ICP report for ODEQ consideration. Let me know if you'd like to discuss or have any questions and we'll finalize accordingly.

Thank you.

I am just checking in on expected review times. I have forwarded received comments to our consultant and want to make sure we incorporate all comments and edits before finalizing the report. Please let me know when you think you might be able to get me your comments.

I also attached to transmittal letter. I was unable to find the email with the signed copy, so I am transmitting it again.

Let me know if you have any questions.

Thanks,
